EMBRACING UNCERTAINTY

The times we are living in are filled with uncertainty and many people have a sense of anxiety, dread, and fear about the future. The illusion of control and stability that many of us lived with for some time has been shattered by many different causes and events. How do we live faithfully when so much seems uncertain and unknown?

As we continue our journey through the Bible, we'll be touching on some key themes and looking at the lives of some significant people in the month of August. With the book of **Numbers**, we'll consider the importance of

people think of most when they hear that phrase, but it extends much further and broader than that. Reverence for life should extend through all the areas of our life influencing and shaping the choices we make in many areas including our care for creation and supporting efforts and policies that lead to health and allow all people and creatures to flourish throughout their lives.

In **Joshua**, we meet Caleb who is a great example of bold and courageous faith. The phrase that is repeatedly associated with him is how he "wholeheartedly followed the Lord,"

from his younger days into his 80's. What would it take for you to be known as someone who wholeheartedly follows the Lord? What would make people draw that conclusion about you if they observed your daily living?

Greg Scalise will be preaching from the Book of Judges on August 22 before he departs for Gordon Conwell Theological Seminary in September. We'll conclude August with the wonderful book of **Ruth** and a story of acceptance, kindness, and loyalty that had long term implications for God's future.

Learning From History So We Don't Repeat It

embracing uncertainty. Living faithfully in the wilderness means being willing to admit and accept that there is much about life and the future that is uncertain and unknown. Yet, you and I are called to live and walk by faith even when we don't have and can't have all the answers about what's over the next hill, or around the next corner of our life.

In **Deuteronomy**, the Lord God implores the people to choose life, to choose to live as God directs and teaches and so to have life in all its fullness. Having reverence for life, all life, is an important Christian value. This begins before a child is born which is what some

I hope you will enjoy being part of our moving through the Bible, whether you're seeking to read the book of the week, or reading the key chapter or two each day, or watching the daily video devotional and pondering the verse of the day. I pray that spending more time in God's Word will help you grow in wisdom and understanding and enable you to reflect God's loving and gracious Spirit more fully in your daily life.

Grace and Peace,
Pastor Doug Scalise

Please note: On Sunday, August 8, we will not have the 8:00 am service due to the Pan Mass Challenge. We will have our 9:30 and 11:00 am services.

Communion Sunday

POSTPONED

Planning to Celebrate Communion in Person

We had been planning to resume communion on Sunday, August 8, but due to a peak in cases on the Cape, we will continue to plan for in person communion at a later date. Because of the Pan Mass Challenge happening on August 8, we will not have our 8:00 a.m. service on that day. We want you to know that we

value and place a high priority on everyone's health and safety, so we have put together a plan to return to regular communion at some point while closely monitoring current events.

When we do, all those serving communion will be wearing masks and gloves. People will be invited to come forward down the center aisle to receive communion, then continue to the side aisles to be seated. This flow will help us avoid crowding or close contact. If anyone is unable to come forward, servers will come to them once everyone has been seated. We will serve those who are unable to come forward where they are seated once everyone else has come forward. We look forward to celebrating the Lord's Supper once again with you.

New Members

On Sunday, August 1, we will be welcoming new members at Brewster Baptist Church. Please join us in welcoming the following individuals: Linda and Barry Hutchinson; Dr. Karl Kissa, Reverend Wendy Sue Kissa and their daughters Emily and Joy; Jim McElroy; Ian and Sandy Millen; and Erin Stratton. Please see page 13 for bios on our newest members.

Final Evening Vespers in the Pavilion with Communion on Thursday, August 5 at 6:00 pm

Although we have chosen to postpone communion in the sanctuary, we will have communion at this final Vespers as it's outside and a smaller group. Our final Vespers service will be held outside in the pavilion, and we **will** be having communion. Bring a chair or a blanket to sit on, and maybe a sweatshirt and some bug spray. If inclement weather prevents us from worshipping outside, we will be worshipping via live stream on YouTube. We invite you to join us in worship as we enjoy music, reflection, and share responses. We look forward to seeing you there!

Offering Update from July: One Great Hour of Sharing, “ Let Love Flow”

Our goal was \$7,500. As of this issue going to print, we are up to over \$18,000. Thank you for your generosity!

As I write this article I'm sitting in the East Street Café at Mass General Hospital waiting for my neighbor to receive an urgent cancer treatment and exam. Masks are required everywhere, and they distribute their own as you enter the building. It is a reminder of life everywhere a few short months ago.

It is easy to forget as we move out of the pandemic of the many restrictions we've endured, but I'm reminded each week of the extremely loyal volunteers that enable the broadcast of our services. Throughout the year plus that COVID-19 kept us isolated from each other physically, these volunteers initially recorded services for the website, then moved to live streaming one service and now facilitate three services, two of which are streamed live. In addition to Sunday morning, there are rehearsals on Wednesday night and review of the services on Monday. It is a commitment they have taken on throughout the pandemic, and we are truly blessed to have them. We are losing two of our key volunteers: Rachel Pranga who will head to the University of Massachusetts Amherst, and Greg Scalise who will start Gordon Conwell Seminary at the end of August. They will be sorely missed. Scheduling everything is a challenge, but we hope to have more trained volunteers in the next several weeks. Please pray for all those who help to get the WORD out. If you are having difficulty or experience a degradation in service viewing, please feel free to let me know directly (rings3@gmail.com). We are always looking to improve, but please be aware that we can't control the buffering on the internet or the quality of the speakers on phones or laptops; we will, however, adjust whatever we can within our power to enhance your viewing experience. If you'd like to become part of the team, we meet each Wednesday at 5:30 to prepare for the upcoming Sunday, and we also train people on the equipment.

The review of the Van Latham recommendations continues by both the AC and MC. The home which was generously bequeathed to the church by Flo Roberts has been sold, and as soon as the Probate Court catches up with their backlog, we expect to clear all debts and close things out.

You will see some construction around the church, and some has already begun. On the interior, volunteers led by the Kautz family are giving a much-needed facelift to the area near the Chapel traditionally used as by the student ministry of the church. The new cool colors will augment some new technology and enhance the students' experience who will utilize the new space on a regular basis. But wait, due to the clever design, it will be an area where many groups can meet in comfort. Furniture and storage from IKEA will make it a more comfortable and inviting area for many groups in the church. In addition, Geoff, Chuck and Tom have renovated the restrooms behind the sanctuary. Thank you to all contributing to these efforts!

On the outside of the church in the Fall, we will see the roof replaced in some areas and repairs in others. The estimate on the timeframe is two weeks, but we'll keep you informed when it occurs and what, if any, changes that will mean to the traffic pattern in the parking lot during construction. One thing is for sure: whether you are using a facility or not, maintenance is always needed.

As always, if you have concerns or comments, please don't hesitate to connect with any member of the Advisory Council.

God bless,

Su Ballantine

THE TRUE YOU

FINDING YOUR IDENTITY IN CHRIST

This message series answers one of the most universal questions for teenagers: Who am I?

As young people explore Scripture, they'll uncover truths that reveal who they really are. You'll be amazed as you watch students shed the false identity from the culture around them and step into Jesus' truth, which sets them free.

We will be using the above curriculum for our middle school Bible study sessions for the Summer on the following Fridays from 6:30 – 8:00 p.m.

- August 6 and August 20
- There will be a brief description available for each session on our church app under the "Grow" section. (You can download it on the app store or Google).
- We are finalizing our plans for the fall and will be sharing that with you soon.

If you have any questions, you can call text or email Sharon Kautz (508) 577-5361 or Sharon@brewsterbaptistchurch.org

Weekly Bible Reading for Through the Bible Series

For each day there is listed the chapters you need to read through the book in one week if you wish to read the whole Bible during the series. With long books like Genesis and Isaiah, it will take 20-30 minutes a day of reading. With shorter books like Nahum or Philemon, one can read the whole book in 3 minutes so some weeks will require more time than others. For longer books, after the chapters to read for the day to read the whole book in a week, is a shorter reading of a key passage or story. Finally, there will be a verse for the day from the given section for those who wish to focus on or learn a single verse. These can be found on the BBC app or website, and the Sunday Buzz and Bulletin.

Heart to Heart Ministry

Linda Viprino and Linda Dunphy are the new leaders of the Heart to Heart caring ministry. A BIG thank you to Emilie Barrett and Deb Preston-Burger for all their work on the Heart to Heart Ministry. Heart to Heart gives support and comfort to those who have suffered a loss by providing an opportunity for them to be with family and friends in our Fellowship Hall after a memorial service. Volunteers are asked to help set up, put out food, replenish food dishes, and clean up. If you are available to help, please contact :
 Linda Viprino at (50) 247-7482 or lindervip2@aol.com, or

Financial Update

The Finance Team would like to thank everyone for their generous support of Brewster Baptist Church. The continual financial support has been astonishing despite the COVID-19 Pandemic. Yet, people continue to give to our general fund, Deacon Assistance Fund, and special offerings. Praise God!

Now we are almost through the first seven months of our budget calendar. Our overall budget for the first seven months has projected expenses of \$701,750. Currently, we have taken in over \$706,029 towards our general budget. Our budget is in good shape — which is unbelievable during these times. Through July 22, BBC has only spent \$638,933.21 which is well below our projected budgeted expenses and leaves BBC in a very strong position for the second half of the year.

Special Offerings continue to be a strength at BBC. In 2021, BBC has taken in over \$42,552 for Special Offerings. Thank you to everyone who has supported One Great Hour of Sharing (OGHS) which has taken in over \$18,000 through July 25 and has surpassed our goal of \$7,500. These OGHS funds will go to help those impacted by both natural and human-made disasters around the world. The Deacon's Fund offering is accepted the first Sunday of the month. The **Deacon's Fund Offering** is gratefully accepted to assist those, both inside and out of BBC, with short-term or one-time emergency needs. Thank you very much for your generosity.

Remember, you can give to the church on Sunday morning, by text, by mail or online. If you need help or have any questions, please contact Pastor David Pranga (dpranga@brewsterbaptistchurch.org) or Treasurer Dan Ryan (dan101d@comcast.net).

The 17th Holiday Fair is November 6, 2021, we need your help!

November may seem like a long way off, but work for the Holiday Fair is ramping up!

The Annual Holiday Fair is an opportunity for everyone in our church family to make a difference for our neighbors in need. All Fair earnings go directly to charities helping others in our local area. Over the past 16 years the Fair has contributed a total of **\$431,000!** Charities that will receive this year's Fair proceeds will be announced soon.

The Holiday Fair team is cautiously optimistic that we will be able to hold a scaled back, in-person Fair this year. Last year, our first online Silent Auction was very successful, raising \$25,000. The team has decided to run the Silent Auction online again this year.

Your ideas, time, donations and talents are needed to make the Fair a success. Here are some ideas on how you can help:

- Donate to the **Silent Auction** - a weekly stay in a cottage, sports tickets, boating trips, autographed sports memorabilia, a weekend at a Bed & Breakfast, a round of golf, memberships (such as to a gym or a museum), concert tickets, and fully assembled/wrapped gift baskets.
- Gift certificates (expiration dates December 2021 and after) are accepted at any time. Please deliver to the church office during office hours.
- **Jewelry** is also accepted during office hours – necklaces, pins, bracelets, earrings, old, new, real (even and ESPECIALLY broken 14k gold pieces) or gorgeous fakes, plus handbags. Please contact Linda Dunphy at lgdunphy@comcast.net or leave items in the Holiday Fair mailbox.
- Make and donate to the **Farm Stand, Bake, Craft, Dried / Silk Flower or Knit Shoppes:** cookies, candy, jam / relish, crafts, knits, fabric arts, floral arrangements or wreaths. **Plan to bring these items to the Church the week of the Fair.**
- **Coffee Cans:** needed for cookies. Please start saving your coffee cans! Plan to drop off at the church office during office hours or in the bin that has been placed in the lobby.
- Donate your **Attic Treasures**, saleable items in good condition or better.
- **Please note:** the Book Shoppe will **not** be part of this year's Holiday Fair so please do not bring in book donations.
- **Volunteer!** Join a Shoppe team, assist with set-up or work at the Fair. Sign-ups will begin in September. For questions or to volunteer, please contact:

Many of our small groups and Bible studies are meeting this summer and continue to grow in the grace, love, and character of Jesus Christ. It has been such a blessing to meet face to face after a long period of distancing due to the COVID-19 pandemic. We continue to love, care, comfort, and pray for our group members.

Starting July 11, Pastor Doug began a sermon series on the Pentateuch. We're having a theme for each of the first five books of the Bible. In order to keep our small groups connected and growing in the sermon's message, we are asking each group to take the first five or ten minutes of each group's gathering to answer an "*across the board question*." Each member will answer the question quickly in one sentence. The "*across the board question*" is the first question in the list of questions located after the printed sermon on our BBC website and on the App. This may be a guide and enhance future studies for each group. Let's suppose the question is, "How can I improve my relationship with God?" Several people might answer they need to improve in their prayer life. The group may then decide to plan a future study on prayer.

Another opportunity for spiritual growth is Evening Vespers at 6:00 p.m. in the BBC Pavilion which ends on August 5. Please feel free to bring a chair or blanket. We will worship with reflections, music, and shared responses.

Adult Sunday School will resume in September. Steve Chapman and Bob Smith will be teaching in Community Hall on Sunday at 9:30 a.m. starting on Sunday, September 19.

Grace and peace,

Martha Dunford

New Members – Joining August 1, 2021

Linda Hutchinson, a third generation Cape Codder who grew up in Chatham, and her husband Barry, have lived in Brewster for many years, recently coming to worship with us at BBC. She has worked as a finance controller for 37 years, while enjoying the beach, flower gardening, reading, and walking in nature. For 53 years, Barry has been a well-known restorer of antique clocks, watches, music boxes, and toys, and he also was a charter boat captain. Now retired, his main hobby is amateur radio, especially public service. They are very family-oriented and enjoy their 3 children, 5 grandchildren, and three dogs. The Hutchinsons usually worship at our 8:00 a.m. service.

Dr. Karl Kissa, his wife, Reverend Wendy Sue Kissa, and their daughters Emily, 16, and Joy, 11, first heard about BBC from a friend, and have been worshipping with us for about a year. They live in Brewster. Wendy Sue was born and raised in Wisconsin, and Karl, in Delaware. His family is from Estonia, where the Kissas have enjoyed visiting family. Karl and Wendy Sue met at Duke University Alumni Club in Connecticut. He has his Ph.D. in electrical engineering, loves the outdoors, and especially enjoys singing; he is planning to write and compose Christian music. Wendy Sue has long been involved in Christian leadership here and in London, England, earning three master's degrees in Divinity, Pastoral Care, Death and Dying, and Worship and Preaching. Emily and Joy attend Nauset schools, and the entire family loves to travel.

Jim McElroy has been attending BBC for about six months. He is retired from serving as VP and Plant Manager of an international electronics manufacturer. Jim enjoys many hobbies including cooking "simple but tasty dishes" - seafood, pasta, and chicken. He also enjoys woodworking, having made several pieces of furniture for friends and family, and is currently creating a river table. Jim also is a photographer, each year creating a family photo calendar. He is blessed with four children and four grandchildren. He worships at our 9:30 a.m. service, and he serves at BBC as a Worship Welcomer.

Ian and Sandy Millen have been worshipping with us seasonally for over 25 years and have now retired and become full-time Brewster residents. Ian was a Human Resources manager and Executive Recruiter, while Sandy was VP of Operations with Hartford Insurance. She enjoys cooking, sewing, and reading, and they both have loved ballroom dancing for many years. Ian and Sandy have three grown children and six grandchildren. They attend our 9:30 a.m. service.

Erin Stratton has been worshipping with us at our two early services for a year and a half, having learned about BBC from talking with friends. She and her two children, Cody, 13, and Lydia, 10, are very happy to be living back in her childhood home in Orleans, to which she returned to care for her father after her mother passed away. They all love being outdoors, planning celebrations for family and friends, traveling, and making memories. Erin enjoys her work as a home health aide, as she loves caring for elderly folks and their families. She says, "Coming to BBC has given me the opportunity to know Jesus better, and has renewed my faith in Him."
