# FOLLOWING THE LIGHT OF CHRIST

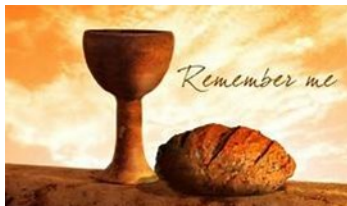

April greetings! In this article, you will find an invitation as a local and extended community to participate in a number of activities as we follow the light of Christ in the coming month and during Holy Week.

Beginning with Palm Sunday, we remember Jesus' triumphal entry into Jerusalem and the adulation with which thronging crowds and children greeted him.

Then on Holy Tuesday and throughout the week, we have an opportunity to gather and reflect on the passion of Christ as we follow the Way of the Cross.

On Maundy Thursday, we will remember the sacrifice that Christ made during his ministry and throughout his earthly lifetime, exchanging power and glory for love and service. Jesus washed, Jesus served, Jesus taught, Jesus reminded. His Last Supper with the disciples in the Upper Room was characterized by the kind of ministry Jesus

had lived, and his disciples never forgot those moments together. Indeed, we still celebrate and remember them today.

On Good Friday, so called because Christ fulfilled his ministry of reconciliation between God and people and brought about lasting forgiveness, even in the midst of a most inhospitable and unloving environment, again we pause to consider Christ's suffering obedience, described in the prophets and summarized in *Philippians 2:1-18*.

Each of these milestone moments along the way serves to remind us of what we can do to honor the Lord in our daily living: welcome him with gladness, walk with him in times of suffering, break bread in the spirit and sacrificial love of Christ, allow our hearts to be broken at the suffering in the world experienced by the 'least of these' and by each person whom God calls beloved child. They culminate in a resurrection, a renewed perspective, the power of new life as we gather early on Easter morning to celebrate Christ who has risen indeed! I hope you will plan to join us throughout April and during Holy Week for moments of remembrance, prayer, celebration, and community, especially on the greatest Sunday of the year, the day which inspired all the other Lord's Days, each Sunday of each week, little reminders and celebrations of Jesus' resurrection living.

*Dear God, as we journey through Lent and approach the cross, may we do so with humble and glad hearts, delighted to journey with you. Help us not to miss the opportunities in our world to journey with those who know great suffering, to remember them with prayers as well as conversation, with our giving as well as with deeds of service and hospitality. In this season of your wandering in the wilderness*

## Children and Families Update from Pastor Doug

At BBC's Annual Meeting on March 6, a question was asked regarding what plans the church might have for ministry with children and their families. We have not had a staff person in that role for nine months. While we're still trying to discern what is best as far as full-time staff, we recognize we have a need that must be addressed immediately.

It's important for BBC to have a point person right now to give leadership, energy, and direction to our ministry with young children and their families in the church and in our community. Fortunately, we have an individual in our church who has demonstrated her intelligence, diligence, and creativity who also has experience working with children and students in a church setting, a degree in education, and has taught young children in school. That person is Shelby Greemore. I've asked Shelby to take on a part-time role at BBC working approximately 10-20 hours a week to be the leader of working with children and their families at BBC for the rest of this year.

Most of you already know Shelby from her wonderful presence in worship. She has been helpful behind the scenes with our *Verse of the Day* videos and has initiated our outreach to the Brewster Elementary Schools that we began in January. She has more than demonstrated her capability to help us in this area, and I'm thrilled she's willing to take on this responsibility. I'm turning the rest of this column over to her so she can share what she hopes to do in the coming months.

*Thank you, Pastor Doug! It is my great pleasure to be working with an amazing staff and so many wonderful volunteers to begin offering more opportunities for children and their families to fellowship and grow at BBC.*

*One such opportunity is occurring this month with the Easter Family Fun event on Saturday, April 9 from 9:30 am-11:00 am. A team of volunteers is working to provide a fun event for our church family and community. We'd love to see you there!*

*We also plan to have an event offered monthly, and we would love your help by inviting families to attend and/or volunteering to assist. One exciting event that will be making a comeback this year is Vacation Bible School! VBS is my favorite week of the year in children's ministry, and we hope you will join us in a week full of laughter, games, and growing in God's love.*

*Along with our monthly events, Sunday mornings will continue to offer a variety of options for kids. Organized by Jeni Byrne (Children's Core Ministry Leader), kids have different activities available in both services. During the 8:30 am service, kids PreK-Fifth grade can attend Children's Worship in our Chapel. During the 10:00 am service, classes are offered for all age groups with engaging curriculum that gets kids thinking about their faith.*

*Did you know we also have a Mom2Mom group led by Gwyneth Preu that meets weekly at BBC on Thursday mornings from 9:30-11:00 am? It is a fabulous way for moms to connect, find support, and grow in their own faith walk.*

*We have also partnered with the Brewster Elementary Schools to be a positive presence in the lives of our Brewster students and teachers. Monthly goodies for teachers have provided a mid-week burst of joy! We've also begun assisting in student clubs giving students the opportunity to participate in activities they enjoy, and our BBC volunteers are thrilled to share God's love to kids in our community!*

*With so many ways for kids and families to connect and grow, we can't help but be excited about what God can do here at BBC and in our community! If you'd like to hear more about these events or would like to see how you can volunteer, feel free to email, call, or drop by the church office.*

*Blessings,
