Because Small Groups are a vital aspect of discipleship and Christian community, we're continually looking for ways we can strengthen and improve this ministry. We'd like your help in evaluating the experience.

***Please complete this evaluation and return it to Christy or David Pranga,
or to the church office.***

- 1. How would you describe your response and that of your group to the *Who Is Jesus and What Does He Offer* study material (the sermons and the weekly discussion sheets)?**

- 2. How has your small group interaction been? Is there spiritual or relational growth you've experienced personally or that you've seen in your group?**

- 3. What has been helpful or a blessing in this worship and small group emphasis?**

- 4. Overall, please describe what you think went well.**

- 5. Is there anything that could have made the experience better that would help with the next emphasis we do?**

- 6. Would you be interested in doing another small group experience like this one? If you're a new group, have you discussed whether you'd be interested in continuing to meet regularly or reconvene for the next series?**

- 7. Are there any specific topics or subjects that you think would be helpful for us to make available in the future?**

- 8. Is there anything else you'd like the pastors or Core Ministry Leader to know about this study we're completing?**

Please return your completed survey by April 2 (online or with paper forms). Paper surveys may be turned into the office or placed in the designated box in the lobby.
