The Urgency of Telling the Coming Generation about God's Goodness

The number of people in our nation who believe in God and heaven and who regularly attend worship or claim any religious affiliation has been dropping significantly for years.

According to Lifeway Research, there was a net loss of 1,500 Protestant churches in the USA in 2019, the last year such data was available, and that was before COVID-19 cut a swath across the religious landscape. The older a person is, the more likely he or she believes in God and is a part of a faith community. As you move downward in age from those 80-100, 60-79, 40-59, 20-39, with each younger group there are fewer people who describe themselves as having a belief in or a relationship with God or being an active part of a community of faith.

While COVID-19 may have accelerated this decline, there is a broader, long-running trend of people moving away from religion in America. In 2017, Lifeway surveyed young adults aged between 18 and 22 who had attended church regularly for at least a year during high school. The firm found that seven out of 10 had stopped attending church regularly.

According to Scott McConnell, executive director at Lifeway Research, when asked why they left, one of the top answers was church members seem to be judgmental or hypocritical. This should be concerning to all of us.

Every believer has a responsibility to live in a way that pleases God and to seek to tell the story of God's love and goodness in history and in our own lives in a way that is inviting and authentic. This has always been important for God's people. *Psalms*

Things that we have heard and known, that our ancestors have told us. We will not hide them from their children;

we will tell to the coming generation the glorious deeds of the Lord, and his might, and the wonders that he has done.

Psalms 78:3-4

78:3-4 says this about the urgency of telling the coming generation about God's goodness, "things that we have heard and known, that our ancestors have told us. We will not hide them from their children; we will tell to the coming generation

the glorious deeds of the LORD, and his might, and the wonders that he has done."

Telling the coming generations of the glorious deeds of the Lord and the wonders that God has done, is something that each of us can do personally. It's also why we support the World Mission Offering every October which funds the work of our Global Servants and our International Partners around the world like the Oprenovs in Bulgaria, the Goods in Hungary, the Clemmers in the Democratic Republic of

the Congo, and Madeline Flores-Lopes in the Caribbean. We can't personally go to the people in those areas and many others around the world, but we can give of our resources to help our Global Servants reach, teach, disciple and serve people in Christ's name.

Thank you for generously supporting the World Mission Offering which we'll begin receiving on October 1, and we'll happily accept throughout the month. Our goal for the World Mission Offering is \$10,000.

Look for opportunities to share with people the goodness of God you've experienced in your life.

FINANCIAL UPDATE

The Finance Team would like to thank everyone for their generous support of Brewster Baptist Church. It is through your financial support that we can continue to move forward. Your stewardship offerings are used to pay staff, operate the building, minister to the church and community, and of course, Missions!

Now, we are almost through the first eight and half months of our budget calendar. The following numbers I'm sharing reflect income and expenses through September 15, 2023. Some things regarding finances are going very well, while others need some improvement in the last quarter of the year.

The Good – BBC Special Offerings and designated Missions giving is outstanding! Earlier this year, BBC took in over \$63,000 for the Africa House Renovation Project. Our missionaries Bill & Ann Clemmer will be using the money to help get children off the streets and provide them with housing and education, and teaching them more about Jesus. The Clemmers are ministering to over 800 children. BBC far exceeded our goal of \$20,000. Praise God for this generosity by our people at BBC.

Brewster Baptist Church has received over \$31,000 for the Deacon Assistance Fund, used to help individuals and families in times of need. The Caring Cupboard (the Lower Cape Outreach Food Pantry for Brewster, located here at BBC) received \$3,500 that will go towards purchasing additional food for the pantry. Both of our Special Offerings: American for Christ (\$11,105) and One Great Hour of Sharing (\$14,940) exceeded their goals as well. In the month of October, BBC will be receiving the World Mission Offering (WMO). The goal for the WMO is \$10,000. The special offerings and designated mission giving have been tremendous.

The area that we are behind, and need some help with, is the Stewardship Budget. Through the first 8.5 months of the year, BBC is well below the budget in both stewardship and expenses (in the 2023 budget that was passed at our Annual Meeting in February). The good news is that BBC is spending less than we expected in payroll, operations, ministry, outreach, and Missions. Unfortunately, our stewardship/giving has been less than we forecasted, too. Currently, BBC is operating with a deficit in the amount of \$21,000. This means our expenses have exceeded what has come in through stewardship giving. Our hope is that in the next 3 months, BBC will move back into the positive in this area. Thank you again for your support of BBC in everything we do!

Remember, you can give to the church on Sunday morning, by text, by mail, or online. If you need help or have any questions, please contact Pastor David Pranga or Treasurer David Wilcock.

Beginning October 22, we will begin a new 4-week Worship and Small Group series, "Getting Ready for the King" from the Gospel of Matthew. After Jesus enters Jerusalem in his final days, Matthew presents Christ teaching important truths about how to prepare for the coming of the King of heaven. For four weeks we will learn from what Jesus says so we are ready to receive Him.

In addition to the sermons and daily devotions, Pastor Doug will be creating discussion materials for our small groups. Any person interested in joining, facilitating or hosting a Small Group for this series, should register on our website or church app and a member of the Spiritual Formation Team will contact you to place you according to your needs to the best of our ability.

Sunday mornings, we will have Sunday School during the 10:00 a.m. service. We have started with a 4-week series called "Focus." The first week was about "Focus on what God has said" and about how to find time away from distraction to focus on God's word. The remaining 3 will be about (1) "Focus on giving something up" and the discipline of fasting, (2) "Focus on talking with God" and the discipline of prayer, and (3) "Focus on rest" and taking time for sabbath rest.

Sunday evenings we will meet from 6:00-8:00 pm, starting with games and fellowship and during our Bible Study time we will finish up the video series we started in the spring with Francis Chan going through the Book of James.

2023 Brewster Baptist Church HOLIDAY FAIR

Online Silent Auction Oct 6 - 15

Holiday Fair Nov 4 from 9 am - 3 pm

It takes a congregation to put on a successful fair and we can't do it without you. The Holiday Fair is BBC's primary fundraiser in support of our Cape Cod community. Last year, over 200 of our church members and friends worked together on the Holiday Fair and Online Silent Auction.

It's not too late to help for this year. Volunteer to work during the Fair, donate gently used attic treasures, or make something wonderful to sell at the Shoppes. Or **donate directly** and mail a check made out to "BBC Holiday Fair" with "Holiday Fair Gift Fund" in memo.

The more we raise, the more we can give to our neighbors in need through Cape Cod Foster Closet, Homeless Prevention Council, Sharing Kindness, and Family Table Collaborative.

BBC GUEST HOUSE

A Year in Review (October 2022-September 2023)

Last October, a decision was made to launch a new, innovative project at BBC: the parsonage Guest House. Short-term uses would include lodging for clergy seeking vacation, rest, and renewal, and for visiting musicians, speakers, and others who would share their gifts and enhance activities at BBC, providing room for our guests who might be involved in the life of our church and community. As we once again approach the holiday seasons of giving thanks and exchanging gifts, let's take a few moments to give thanks for the gift of the Guest House and hear the gratitude of those who have enjoyed its hospitality.

Immediately, Jill Scalise, Pat Lindquist, Sarah Kemp, and others expertly got to work transforming the parsonage into a place where people could feel welcome and at home on their visit to the Cape. They succeeded with flying colors! In the intervening months, we have hosted denominational leaders from each of the main branches of our denomination's family tree: folks including Judson Press authors, American Baptist Historical Society (ABHS), American Baptist Home Missions Societies (ABHMS), American Baptist Foreign Mission Society (International Ministries, or IM), and even the General Secretary (OGS)!

It has been an incredible year for the BBC Guest House, thanks in large part to Michelle Scott, former chair of our missions team, who began lightly stocking the house as her gift to incoming guests; Melanie Stone, Susie Sellitto, Judy Turpin, Deb Quinones (who lovingly baked bread for visitors), and Ellen Willcock, who has continued to prepare food and drink for our guests. Tom Swaida, Tim Kautz, and their team of faithful, dedicated individuals have seen to the addition of a new entryway sidewalk as well as keeping the house up-to-date and well-maintained. It has been a collaborative effort of our Deacons, missions team members, worship ministry, pastors and staff, and the hospitality of our church family that has made all this possible.

Words of gratitude from our guests:

"Thank you to all of you for making the Guest House a reality. Your hard work, prayers, and love for the stranger to rest, be renewed and be fed has been a divine gift. May all guests be blessed by your radical hospitality. Thank you for your ministry."

"Thank you so very much for the invitation and for your generous, thoughtful hospitality. May God bless this guest house and all who enter."

"Thank you for providing this wonderful space for rest and reflection. It was just what I needed during this time of fullness in my life. I will remember it as I move into full-time mission service in South Africa. Peace!"

"Thank you for allowing me to stay at my home away from home. This Parsonage will always have a place in my heart. It was wonderful catching up with so many friends."

"I have many favorite memories, especially hikes...and evening activities with the youth. Thank you for your wonderful hospitality as a church family. This space was so lovely for a time of refreshment and recharge after busy days. I'm so glad to have been invited. Hope to see you again. Arigato gozaimasu!"

"Remembering and Rejoice that It Happened Once!"

"Thank you...hospitality team for making this rest and renewal week – a most generous gift as I turn 50! I have sensed the Spirit in this place and will continue to savor all we have seen and experienced in this 'off-season' visit. We are deeply grateful."

"A 'homecoming' for Bill to Cape Cod and first visit to BBC for Ann...and a warm reception and abundant love and blessings on this 30th anniversary-month of our service to IM and those we serve overseas. 2 Tim. 4"

"Reconnecting with friends, lunch with Gwyneth, Joe, and Shelby on Sunday after church. Our Saturday wanderings on the Brewster Salt Flats and being on the beach at the National Seashore. The spirit of this guest house is so peaceful and comforting. The books are food for a tired soul. Thank you!"

"Walking with youth to Wing Island...time to explore; the beach and lighthouse. Such a great place to take a pause and a wonderful community with whom to worship."

"What a joy to gather, fellowship, and worship God together with the Praise Team and hearing guest, Rev. Tim Ensworth, preach a powerful message to 'love one another.' 'Blessed be the tie that binds our hearts in Christian love; the fellowship of kindred mind is like to that above.' Hallelujah! Amen!"

"Gracious hospitality and lively worship with the Brewster Baptist church family. Hiking the Wing Island Trail. Seeing the Brewster Flats and several of the Atlantic and Bayside beaches. Ours has been a brief but joyful and uplifting visit. May the Lord bless the ministries of Brewster Baptist Church and continue to make you a blessing."

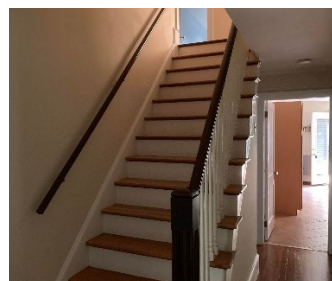

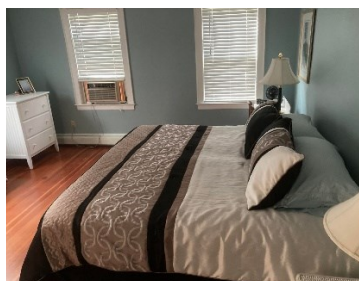

"We will always remember the wonderful welcome to BBC we received while speaking at Sunday services and special music and the leadership workshop. The area has so much to offer; enjoyed Brewster Whitecaps game, the local band playing in Drummer Boy Park, eating at Red Nun, the Marshside, plus the wonderful ice cream; great hosts! Exploring shops along the coast was relaxing, and coming back to this beautiful house was a dream!! Thank you!"

"Campfire on the beach; walking out on the Brewster Flats; ice cream at the Brewster Scoop; tour of BBC & seeing Doug Scalise! Thank you so much for the gift of this house and its ministry of hospitality. We left refreshed and renewed. It was great to spend a week of sabbatical here with the family and experience some of that 'Cape Cod Magic.' This truly is a beautiful and amazing place!"

"Time spent together and our tour was awesome! We especially enjoyed sunrise at Nauset Light beach and sunset at Brewster. We'd go back to the Kitchen Café again and again. Dear Brewster Baptist Family, We are so grateful for the gift of our guest house! It is lovely, and we enjoyed peace and rest while we were here. Thank you for your ongoing support of mission all around the world. Providing this space was a real gift. Your prayers and ongoing support has helped lift the hope of Jesus in Debreceen. We are so grateful!"

"What an incredible place for our family to come visit. Brewster Beach at low tide, with the sun setting, was so spectacular! We also loved the running and bike trails. Thank you Brewster Baptist Church for hosting our family and for your generous love and support of our ministry. We are so grateful for...VBS and the community outreach event. Thank you for being incredible guides to show us all the lighthouses and beaches! We are praying Brewster Baptist continues to be a light and reach others in this community and around the world. May blessings come with your obedience to Christ. We hope to be back."

It has been a full year of hosting and experience the wonderful Cape community for our guests. Plans for this fall include time for rest and renewal, visit from a grammy award winning musician, and the return of two phenomenal Global Servants with 30+ years of missional ministry experience.

As for 2024, it looks to be a much quieter year; plans include possibilities for summer interns who might come to learn, grow, and share at BBC. I couldn't think of a better atmosphere in which to do that than our beautiful guest house.

God is good!

With gratitude,
 Rev. Joe Gremore, Pastor of Worship

My heartfelt thanks to the many folks of the Cooks Who Care Ministry and to those who delivered the wonderful meals after I returned home from surgery in Boston.

So grateful and touched by the kind support, get well cards and comfort dishes to help me through this recovery. Brewster Baptist Church is a true blessing.

How blessed I am. Prayers of thanks.

God Bless,

Anne Marquis
