Giving Thanks to the Lord

I will give thanks to the Lord with my whole heart; I will tell of all your wonderful deeds. I will be glad and exult in you; I will sing praise to your name, O Most High.
Psalm 9:1-2

Part of what we did in worship, in the last two Sundays of October, was to *"tell of all your wonderful deeds"* – as *Psalm 9* encourages us to do, as people of faith. It's important for us to share the story of what God has done — with those younger than us, and with the coming generation. It also helps reinforce and strengthen our faith when we recall how God has been with us and blessed us.

As we look at the church in the present, and moving into the future, there are several key areas our church leadership believes we are to pay attention to and focus on. We need to tell the story of faith, and of our church, to people who don't know it. Making disciples who are growing in faith and spiritual maturity, demonstrating the fruit of the Spirit, and able to make other disciples, is a priority. Creating a leadership development pathway to help produce men and woman who can lead like Jesus; recruit volunteers; lead ministry teams; serve as Core Ministry Leaders, on the Leadership Council, or even potentially serve as staff – or be sent to serve as staff elsewhere – is important to the church's health and strength. Making sure our building and grounds and financial situation are all in good shape to serve our large ministry is also vital. These are areas of focus, moving forward. The thread tying them all together is the importance of providing opportunities for people to connect and build relationships in Christian community.

This month, we're glad to welcome our new Director of Worship Ministries, Dr. Nathan Scalise. Nathan and his wife, Zoe, and their sons, Caleb and Zack, will be moving into the church's parsonage on Millstone Road on November 10. Nathan will be leading rehearsal on Wednesday evening, November 11, and his first Sunday will be November 15.

We're excited to welcome back to BBC another home-grown leader, who has led and grown teams, plays multiple instruments, has three degrees in music composition, and brings the ability to create original music for us from time to time. Nathan is an intelligent, self-disciplined leader, who enjoys helping others grow and thrive. Nathan, Zoe, and their sons will be a great addition to our church. If you're interested in learning more about our Worship Team, Choir, or Media Booth, Nathan would be happy to hear from you once he has begun.

Finally, we're thankful for how God has generously provided for our needs in 2026. Financially, we're in challenging times, with the high cost of gas and fuel causing the costs of many things to increase. We appreciate your generous giving, as we seek to close out 2026 in a positive way. We thank God for all the reasons we have to give thanks!

Grace and Peace,
Pastor Doug Scalise

The church office will be closed on November 11 in observance of Veterans Day and November 26 - 27 in observance of Thanksgiving.

Financial Update

One of the things I appreciate about Brewster Baptist Church is the generosity of the congregation. Through your giving, serving, and prayers, you help make BBC a place where people grow in faith, find encouragement, and receive practical help. Thank you for being part of what God is doing!

Through October 20, BBC received $1,221,499 in general fund income, or 91.8% of our budget goal for the first 42 weeks. We also received $162,022 in designated and special offerings, supporting ministries such as the Deacon Assistance Fund, Caring Cupboard (Brewster Food Pantry), Feed My Starving Children, Grace Grants, and the Clemmers. Our World Mission Offering exceeded its October goal, with $20,000 received toward our $12,000 goal!

With fewer than 10 weeks remaining in the year, our general fund needs attention. Through October 20, expenses totaled $1,269,600 – approximately 6% below budget. Even with spending below budget, expenses exceeded income by $48,102. General fund income was $109,578 below our year-to-date budget goal.

These numbers invite each of us to prayerfully consider our part in supporting the ongoing ministry of BBC. Special offerings meet important needs, while regular general fund giving sustains our staff, ministry programs, facilities, missions, and everyday work.

Would you prayerfully consider how you can help us finish the year strong? If you have fallen behind in your planned giving, this is a good opportunity to catch up. If you are able, consider an additional year-end gift. If you are beginning to give, a regular gift of any amount is a meaningful place to start.

Thank you for your faithfulness and love for our church family. Every gift matters, and together we can strengthen the ministry God has entrusted to us.

Drive-In Movie Fundraiser – Friday, October 2
On October 2, we were pleased to have over 50 people in our BBC community come out for a night of movie fun, as our students raised money to support the BBC Grace Grant – a continuing education fund for graduating seniors pursuing higher education, licensed non-profit work, or enlisting in the military, following graduation. With the generosity and support of people like you, we were able to raise over $1,400 toward the Grace Grant — but we still have a ways to go to help our graduates receive the maximum amount, so we encourage you to donate to the Grace Grant as you feel led. You can do so by either writing a check and putting "BBC Grace Grant" in the memo line, or by designating "Grace Grant" on a cash envelope. We deeply appreciate your support of our students, and the futures God has in store for them.

Second Congregational church of Plymouth Fundraiser – Sunday, November 8
Thanks to the generous opportunity provided to us by Rev. Wendy Sue Kissa, our students will be serving a celebratory meal for the 200th anniversary of the Second Congregational Church of Plymouth, on Sunday, November 8. All students are welcome to come with us to set up, serve, and clean up a lovely meal to celebrate God's continued faithfulness to this lovely congregation. We have been offered a generous donation toward the future of our Student Ministry in gratitude for our service. This opportunity is also the latest example of BBC's continued commitment to ecumenical work across denominations of the church. It is a visible sign of our unity in Christ, as we shine the light of God's love for the whole world together, in the name of Jesus.

Holiday Fair Book Nook Volunteers Needed – Saturday, November 14
BBC's annual Holiday Fair is just around the corner, and this year, we have a special and new opportunity for students who are eager to volunteer. After a long hiatus, the Holiday Fair is resuming the sale of books, as it helps to raise proceeds for three charitable organizations around Cape Cod. We are looking for a few students who are willing to help Pastor Nate with selling books, restocking shelves, controlling traffic flow, occupying a holding table, and carrying bags out to patrons' cars. If you are interested in helping Pastor Nate, please let him know, and he can sign you up!

Deep Freeze 2027 – Friday, February 5 - Sunday, February 7
Registration is open for our Student Ministry's annual weekend retreat to Camp Berea from February 5-7, 2027. As always, we offer a reduced rate for our students to join us on our awesome weekend of worship, tubing, frappes, high-octane games, and much, much more! This year, we are asking parents and guardians to contribute $100 toward the price for each student.

Please know that if finances are a concern, especially for those families bringing multiple students, do not hesitate to let us know and we'd happy to help. We are determined to not let finances be the reason why any of our students can't come.

When you go to register, please remember that there are two online forms you will need to fill out. The first is BBC's Deep Freeze Registration Form, which can be found on the church website or app. The second is Berea's Deep Freeze Registration Form. Please be sure to select the right dates, as Berea has 12 different Deep Freeze weekends to choose from. We will be going on February 5-7, which is Deep Freeze Session #5. It is also important, when asked which group your student is associated with, to choose Brewster Baptist and to list Nate Ryan as the Main Group Leader.

If you have any questions about Berea, the trip, or the registration process, feel free to reach out to either Pastor Nate or Sharon Kautz at any time, and they'd be happy to answer them. Our annual trip to Berea has proven to be a living testimony of life transformation and encounters with Christ in the lives of our students. We cannot recommend this weekend enough, as we seek to share with our students Christ's love for them, and the ultimate fulfillment that comes from committing our lives to following Him.

BBC Small Groups
With the fall well under way, we are encouraged that all of our BBC small groups have resumed and are consistently enriching people, helping them to grow in their walk with Jesus through providing fellowship, prayer, and engagement with God's Word. We are so grateful for all of our small group leaders, who take time out of their week to prepare lessons, provide food, and open up their homes to foster the kind of community that we, at BBC, think is the church's superpower that changes the world. In community, we believe that, by the power of the Holy Spirit, we become the new temple where God's presence is made manifest on earth. If you would like to experience these kinds of transformative encounters with God and one another, we highly encourage you to join a small group. You can express interest by filling out a connection card, contacting the church office, or sharing your desires with Pastor Nate.

Devotional Classics
We also want to say a huge thank you to all of the individuals who faithfully participated in our Devotional Classics cycle on the Prayer-Filled Life, this fall. We were challenged, convicted, and hopefully encouraged, by learning more about the kind of dynamic relationship God longs to have with us through prayer – communicating with him in both set, organized time, and also during the hectic and crazy times, throughout our week. Our hope is to resume Devotional Classics after Easter, with the next cycle of the book on the Virtuous Life, reading from a wide selection of figures from church history to help us better understand our call to holiness in the ways we try to live like Jesus. Stay tuned!

There was a good discussion period, as well as fellowship. The next step in membership was for new attendees to be interviewed by one of our pastoral staff to discuss whether they are ready to commit to membership at BBC. Taking this step is totally voluntary. Those who have decided to move forward with membership will be recognized and welcomed during this month's New Member Sunday. Please reach out and say hello to new people and welcome them into our family of faith!

Volunteers Needed for Faith Family Kitchen, one of the 7 missions of the Cape Cod Council of Churches.

Faith Family Kitchen
A Program of the Cape Cod Council of Churches

Brewster Baptist Church volunteers serve on the 2nd Friday of each month from 4:30 – 7:30 p.m.

Faith Family Kitchen, located at Faith Assembly of God Church in Hyannis, provides dinners three evenings a week (M/W/F) to families and individuals to allow them to come together in a safe, caring, and respectful environment to enjoy free, nutritious meals. Guests can get eat-in or take-out meals or both.

Responsibilities of the volunteers:

4:30 – 5:30 p.m. - all volunteers set up the dining room in preparation for the eat-in and take-out meals

5:30 – 6:30 p.m. - 2 volunteers check in the guests on the computer, 3 volunteers serve the eat-in meal, 1 volunteer does dishes, and 2 volunteers serve at the take-out station

6:30 – 7:30 p.m. - all volunteers clean the tables, put food away, empty trash, sweep the floor, mop the floor if heavily soiled, and prepare to leave the dining room as it was found

If you have an interest in participating in this mission, feel free to contact the church office to be put in touch with the Team Leader, Dianne Mahoney.

Save the Date for a Habitat for Humanity Workday!

Habitat for Humanity of Cape Cod honored BBC with its Community Partner Award. We are grateful to continue that partnership by sponsoring yet another Habitat home, this time on Mackie Drive in Brewster. On Thursday, December 3, our BBC Mission and Outreach Ministry is organizing a BBC workday for the Habitat Houses on Mackie Drive. The workday provides several opportunities to serve, including approximately 12 volunteers working, volunteers to provide snacks, and someone who does the devotion for that day. There will be more information in the coming weeks. If you are interested in being a part of this Habitat workday, please speak with Bill Harwood.

Many of you may already be aware of the great impact the Cooks Who Care ministry has made. If you've recently been in the hospital, rehab, or delivered a baby, you know what a difference a few home-cooked, delivered meals can make! We are **looking for a few more volunteers who would be able to cook**. Don't worry, it doesn't have to be a gourmet meal! Just a meal made with love and prayer that will benefit members of our congregation. If interested, please contact Lisa Freeman at Lfree125@comcast.net.

Announcing the Soup Ministry at BBC!

BBC Soup Ministry

In order to help the Cooks Who Care Ministry, we have started a **Soup Ministry at BBC**, at least for the fall and winter months. Cooking a large pot of soup? All you need to do is **pick up a container or two from church, fill it with your soup, label the top with the kind of soup and the date you made it. Please label with ingredients – especially with nuts or if they are gluten-free.** You can drop it off at the BBC office. Any questions, please contact the church office.
